

# PAD

## Family features:

- silent operation
- PWM control available
- extended temperature range available
- extended power range available
- degree of protection: IPX7

Voltage	Part number	Nominal pump pressure bar	Flow rate L/hr	Direction of rotation CW or CCW	Control	Medium	Dimensional drawing (D)	Connector (C)	Performance curve (P)
12 V	0 392 023 43G*	0.2	500	CW	PWM	Water Glycol	D1	C1	P1

\*Successor of 0 392 023 232
